*southeast guilford senior high school
greensboro, north carolina
1970*

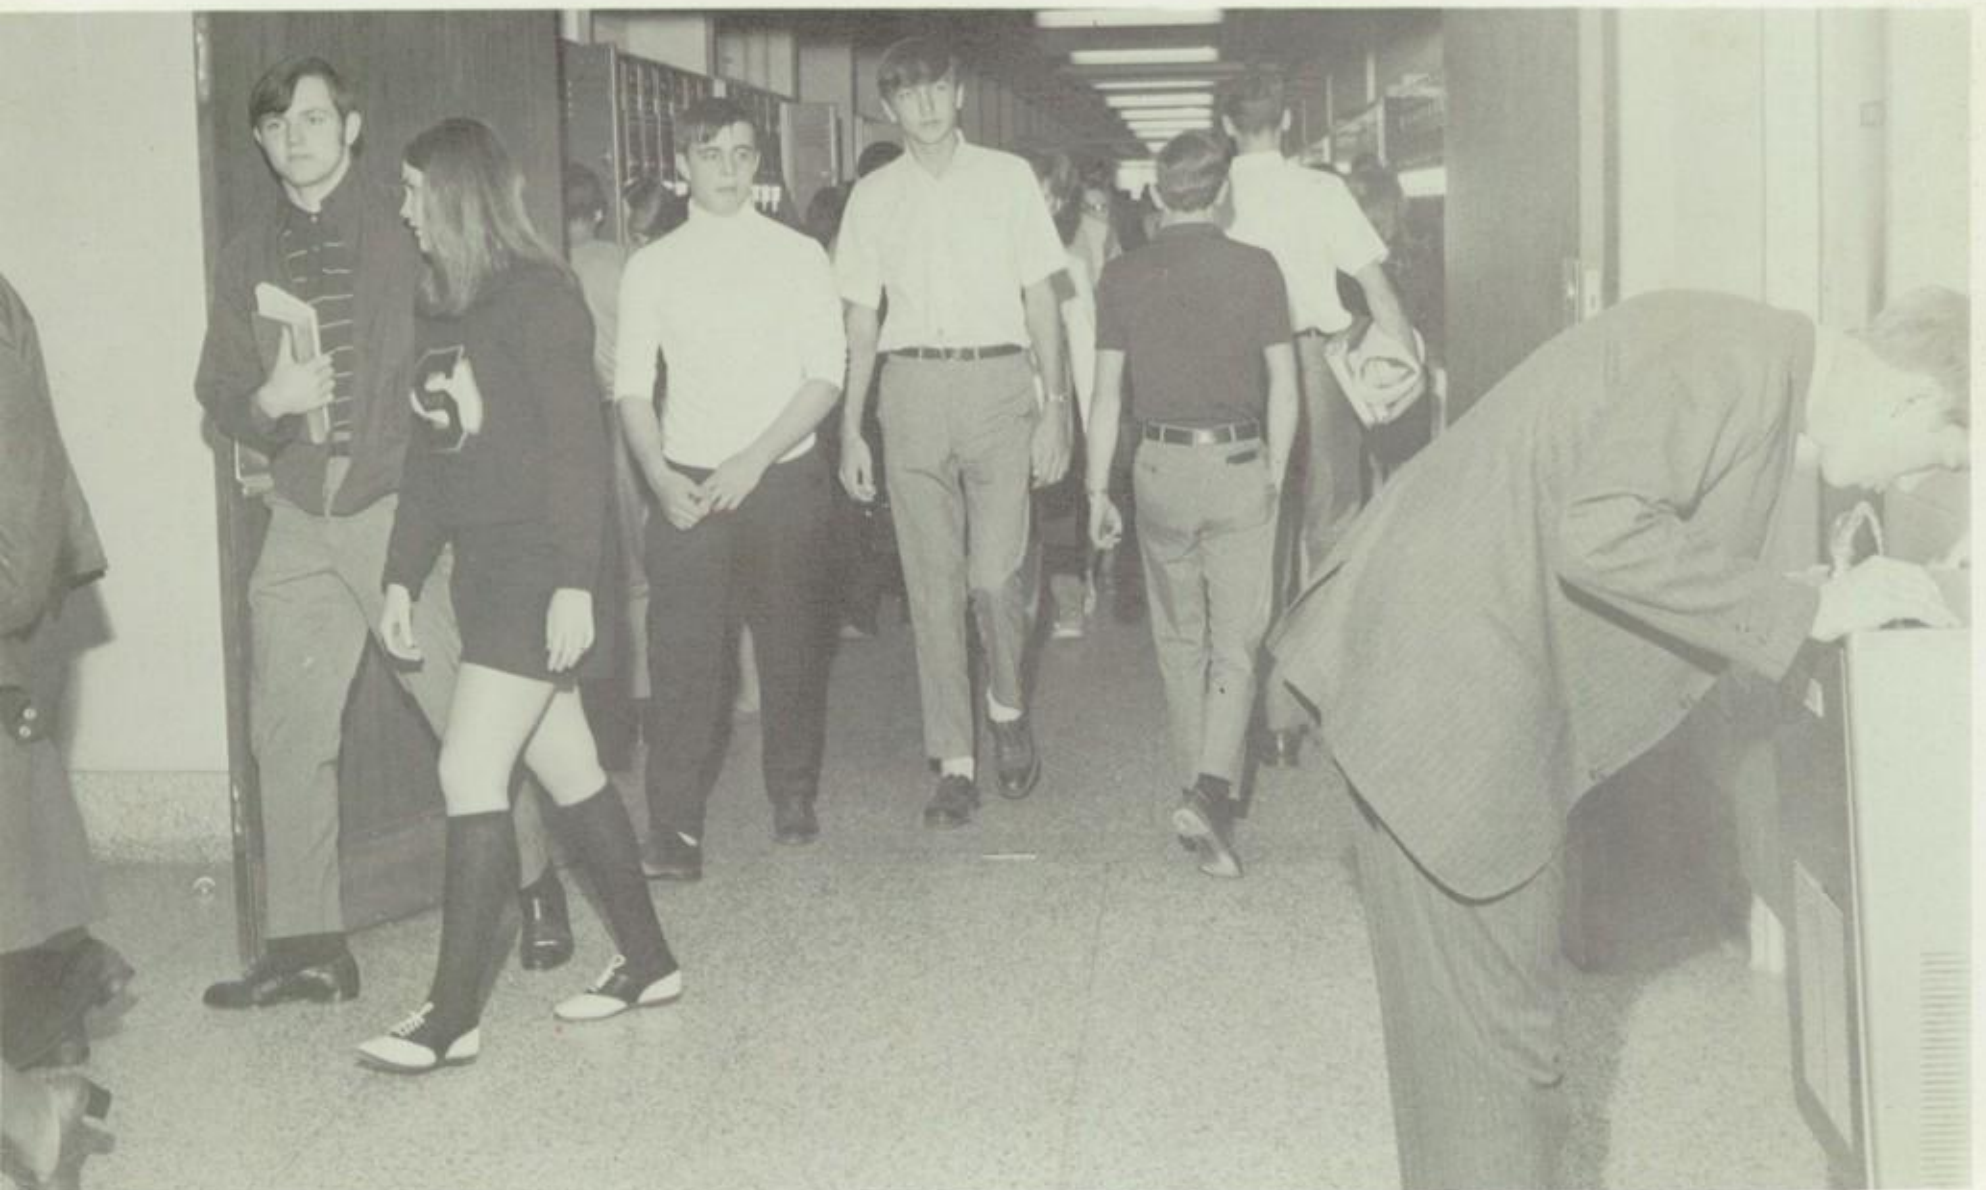

prologue

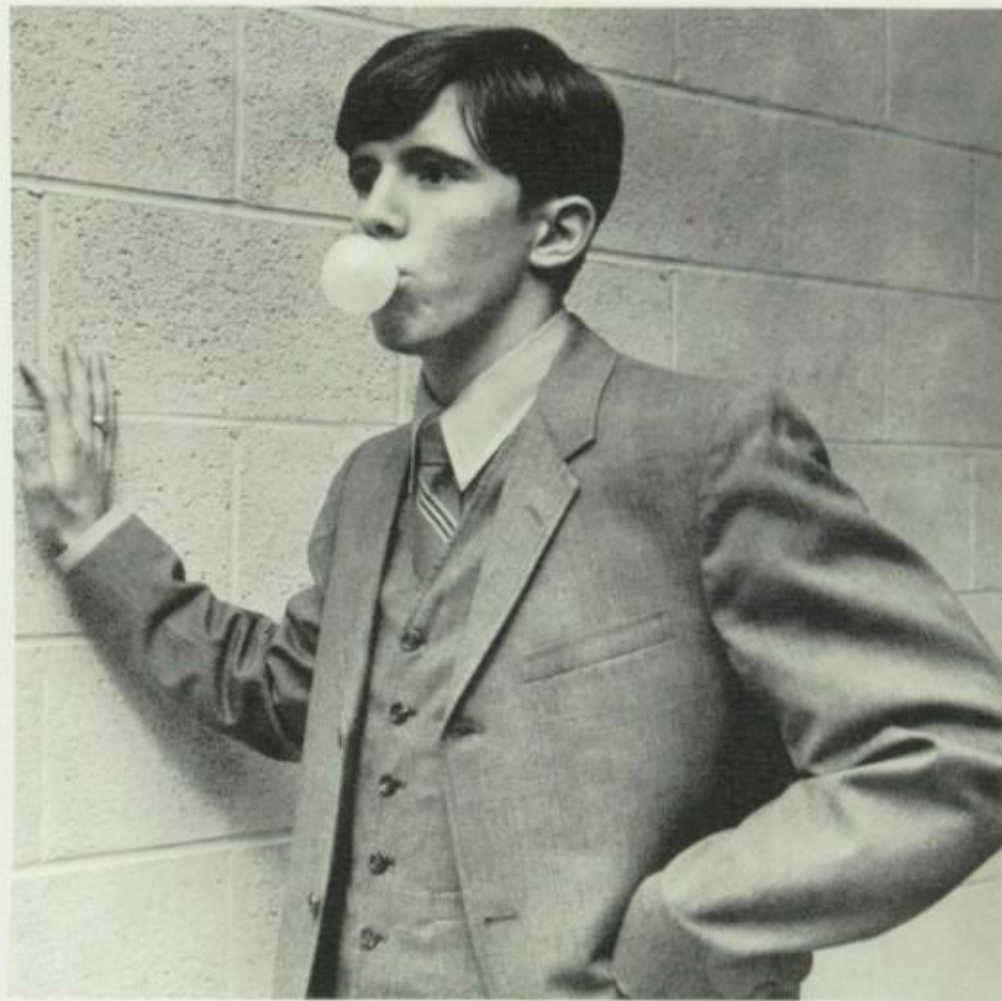

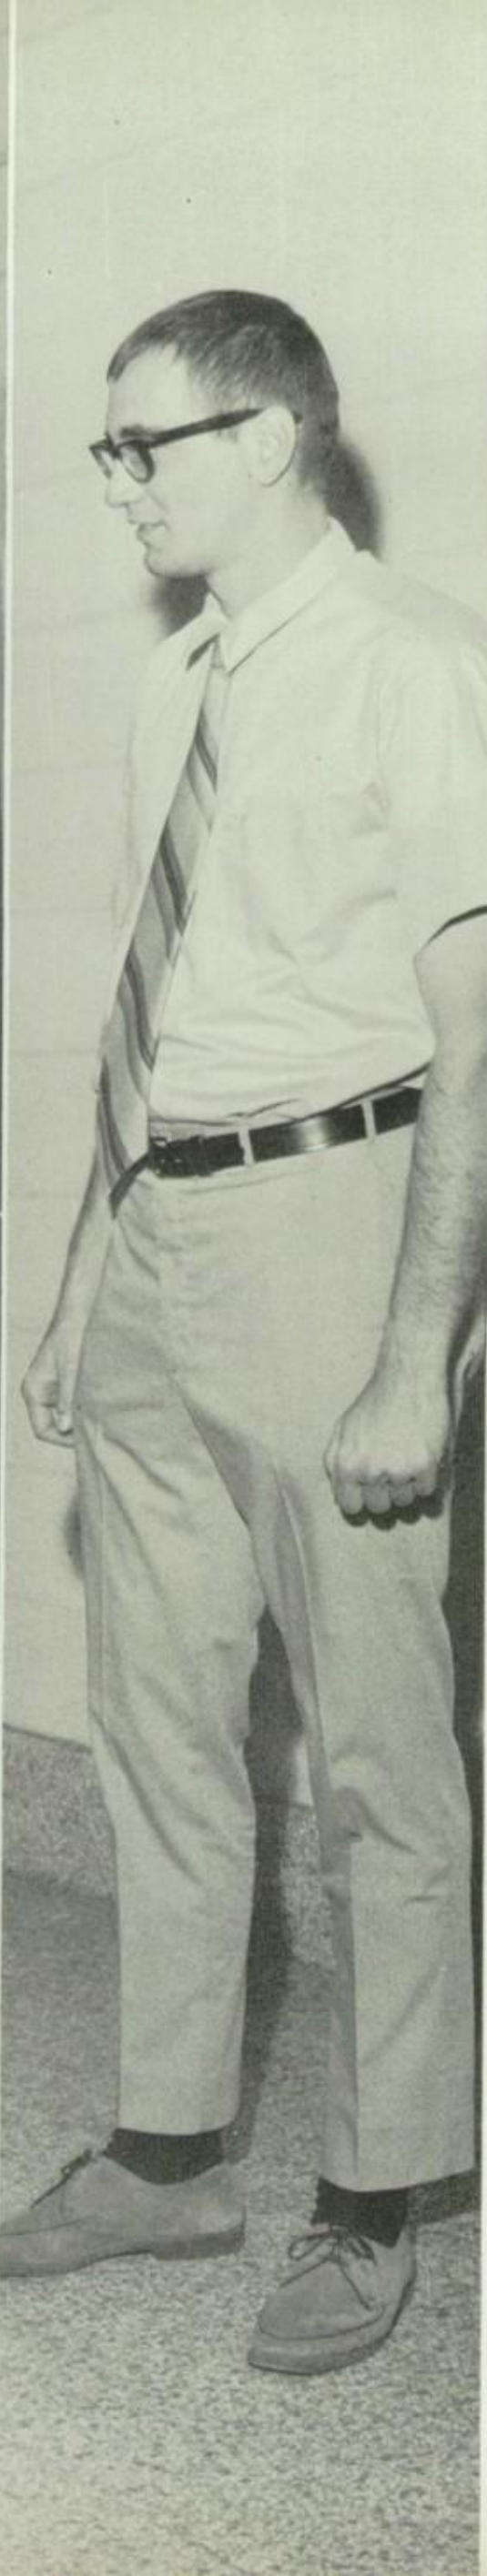

arrival upon crowded buses.
 shuffle and bustle of morning activities.
 frenzied "hellos" to friends. all a
 part of the pathway of life in their high school
 years. despair and
 happiness shatter the daily routine,
 interrupt the monotony, highlight the learning
 at southeast senior high school.

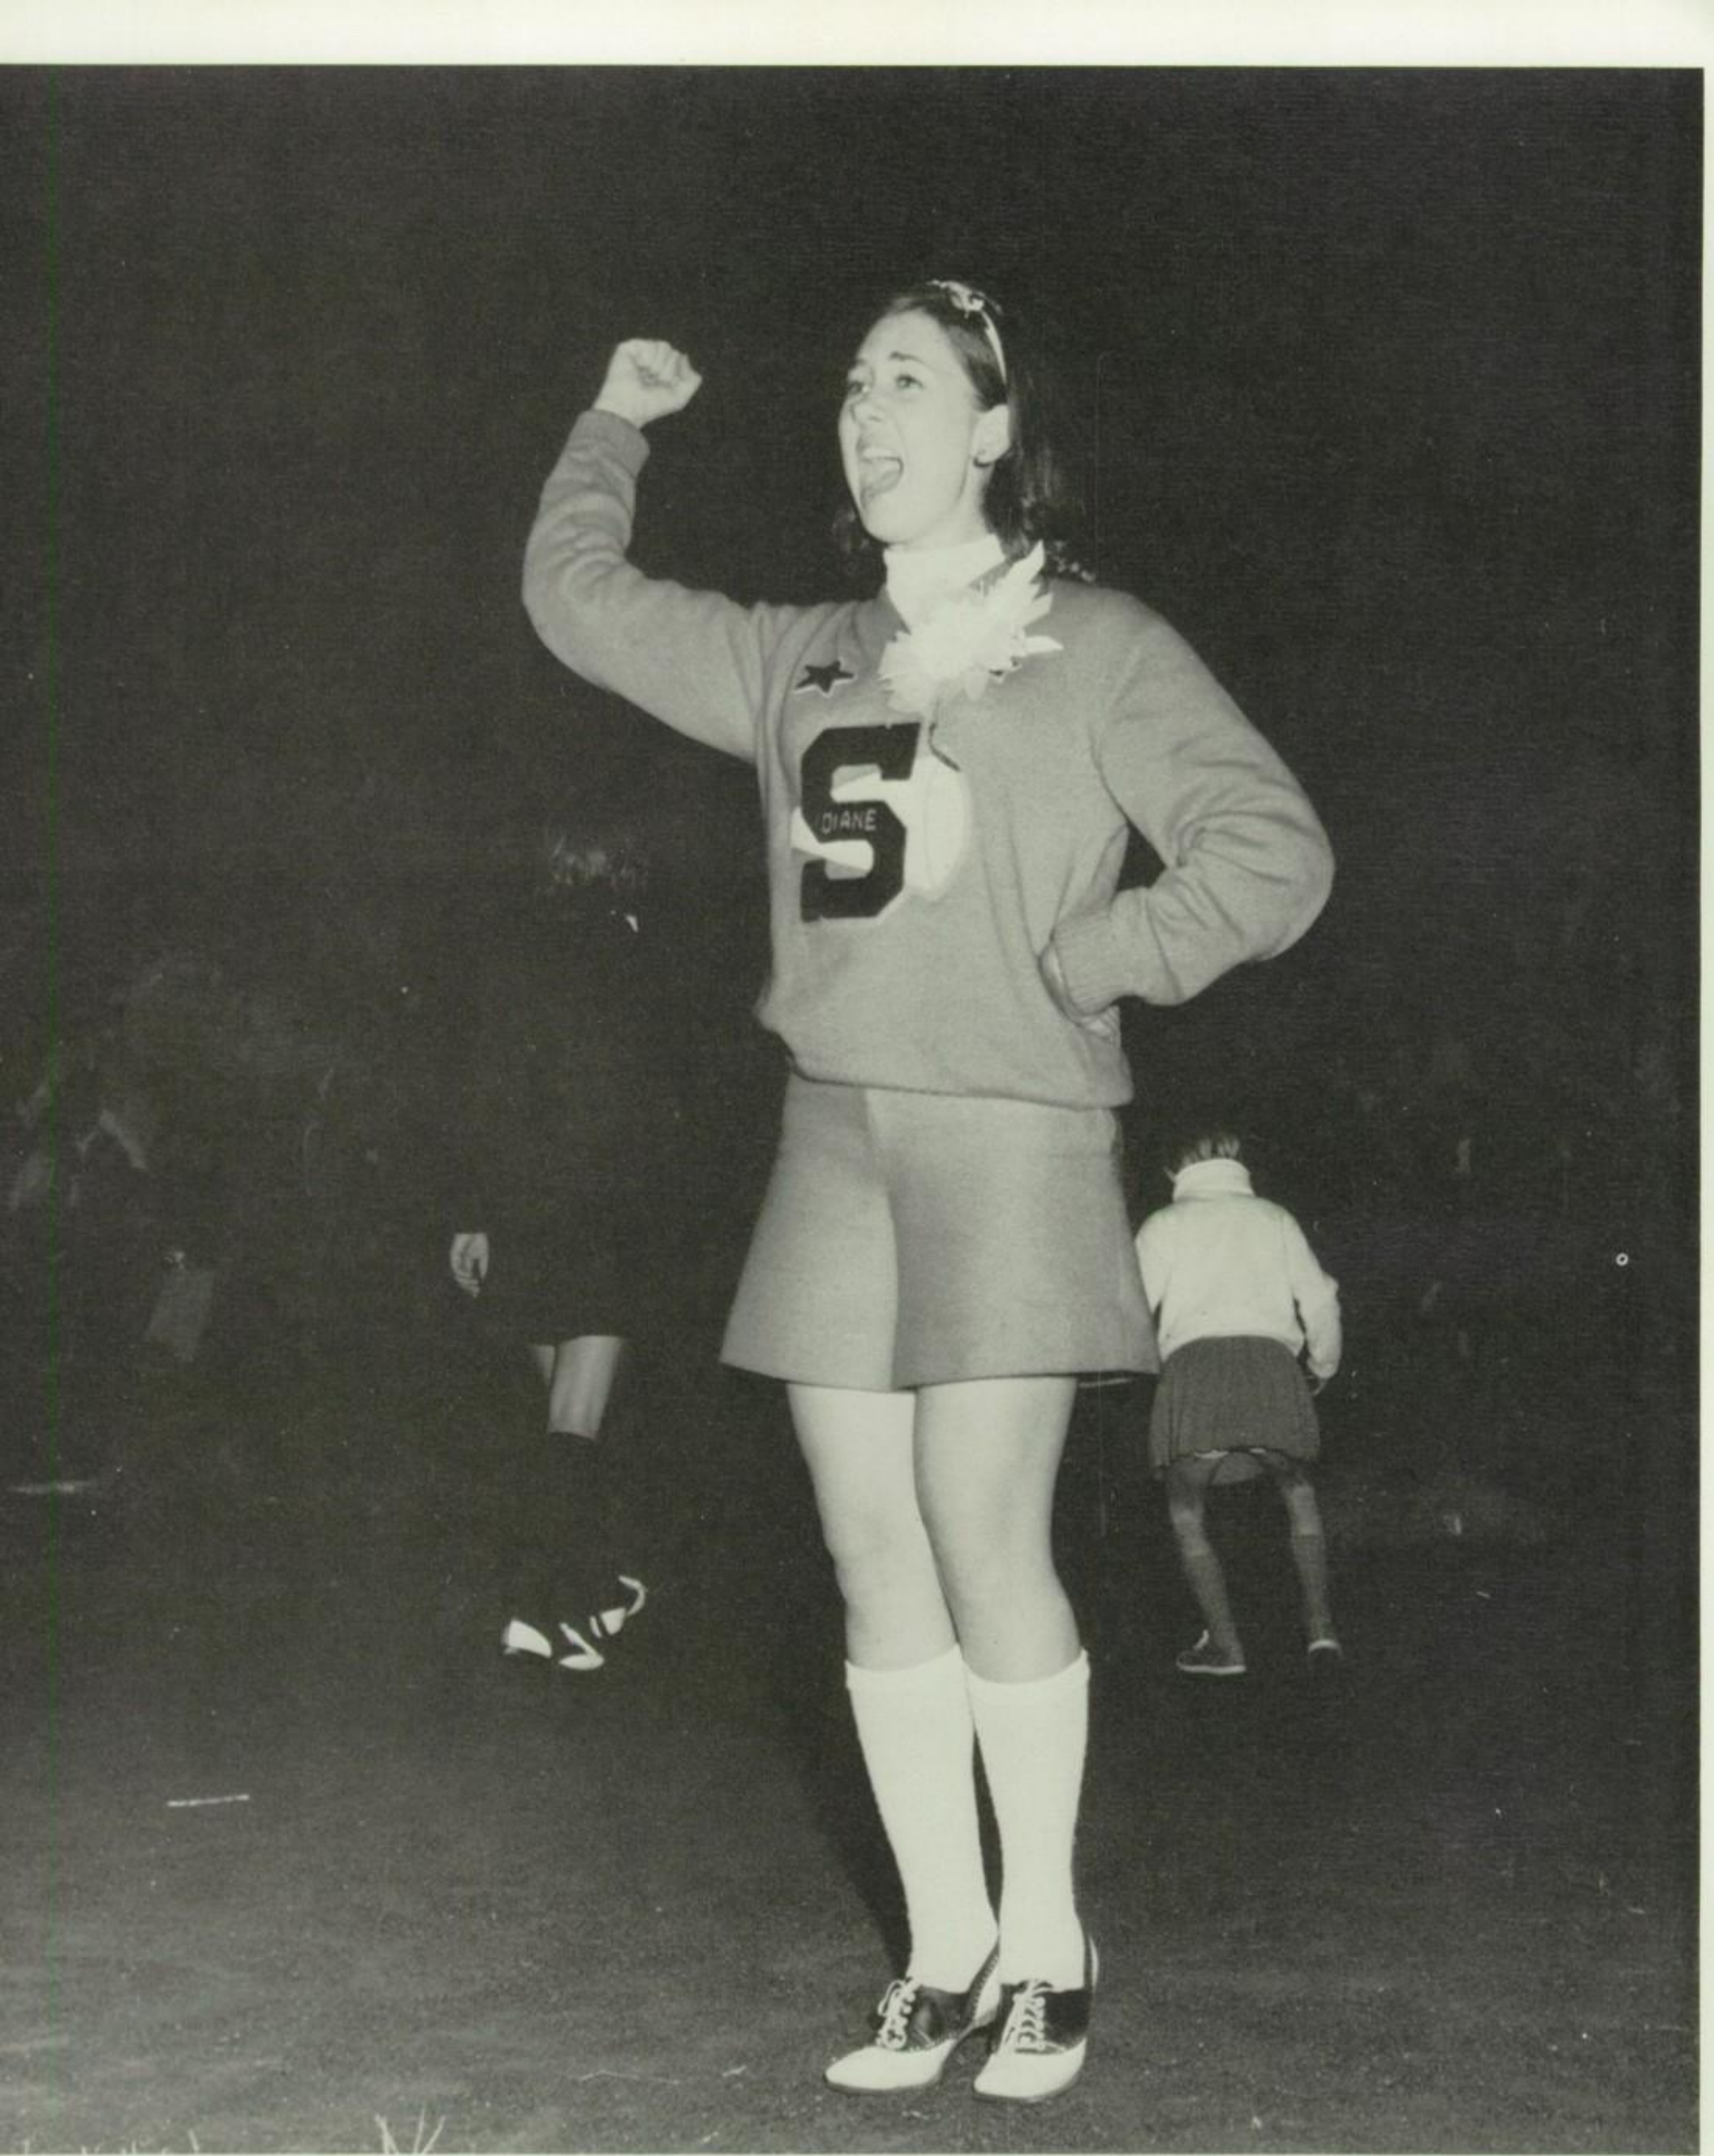

rules—aggravation. menace to mankind.
protector of society.
made to be broken.
careful—enforcement squad near by—all clear—
the undisciplined strike again!

hot lunches.
served by a capable cafeteria staff.
the delight of hot dogs.
the despair of sandwiches.
a definite aid in making the day
seem just a little less in length.

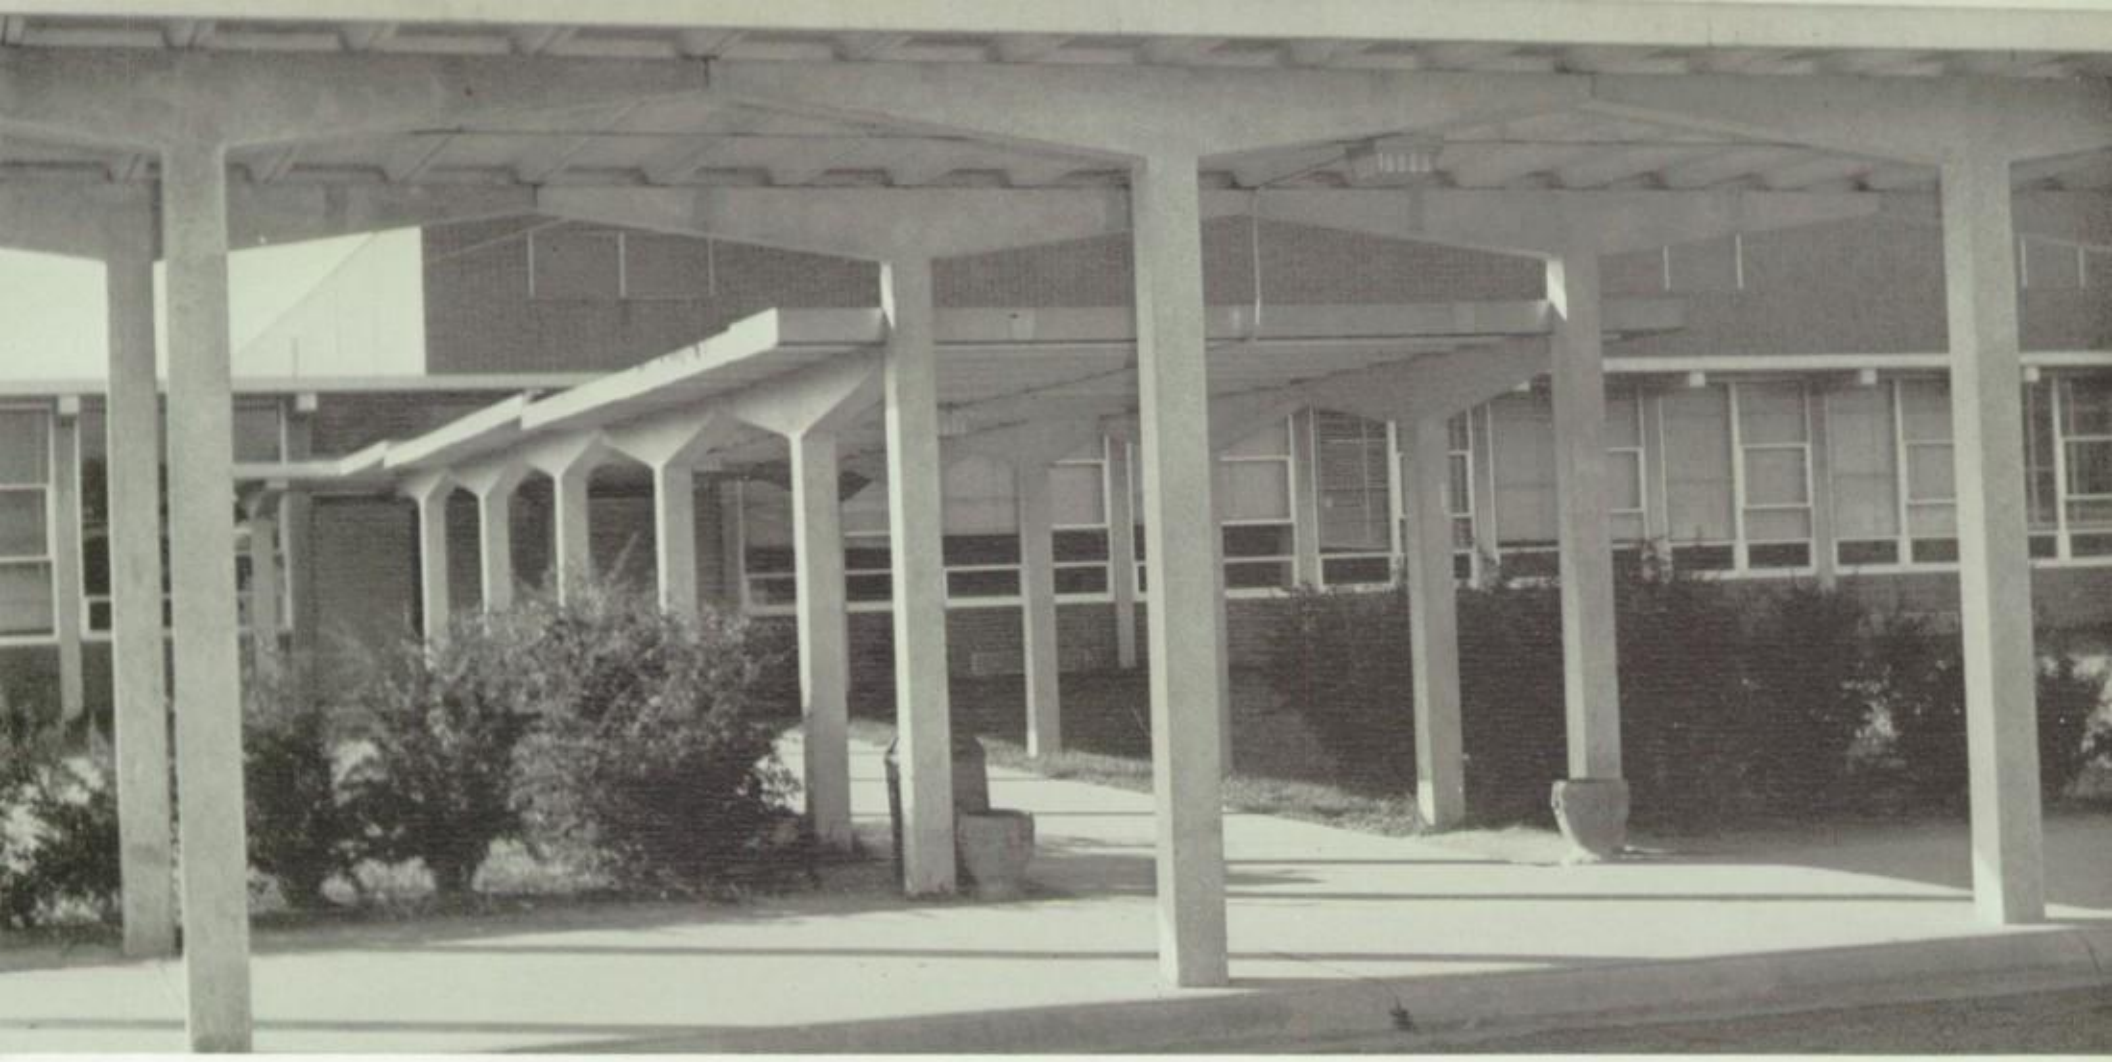

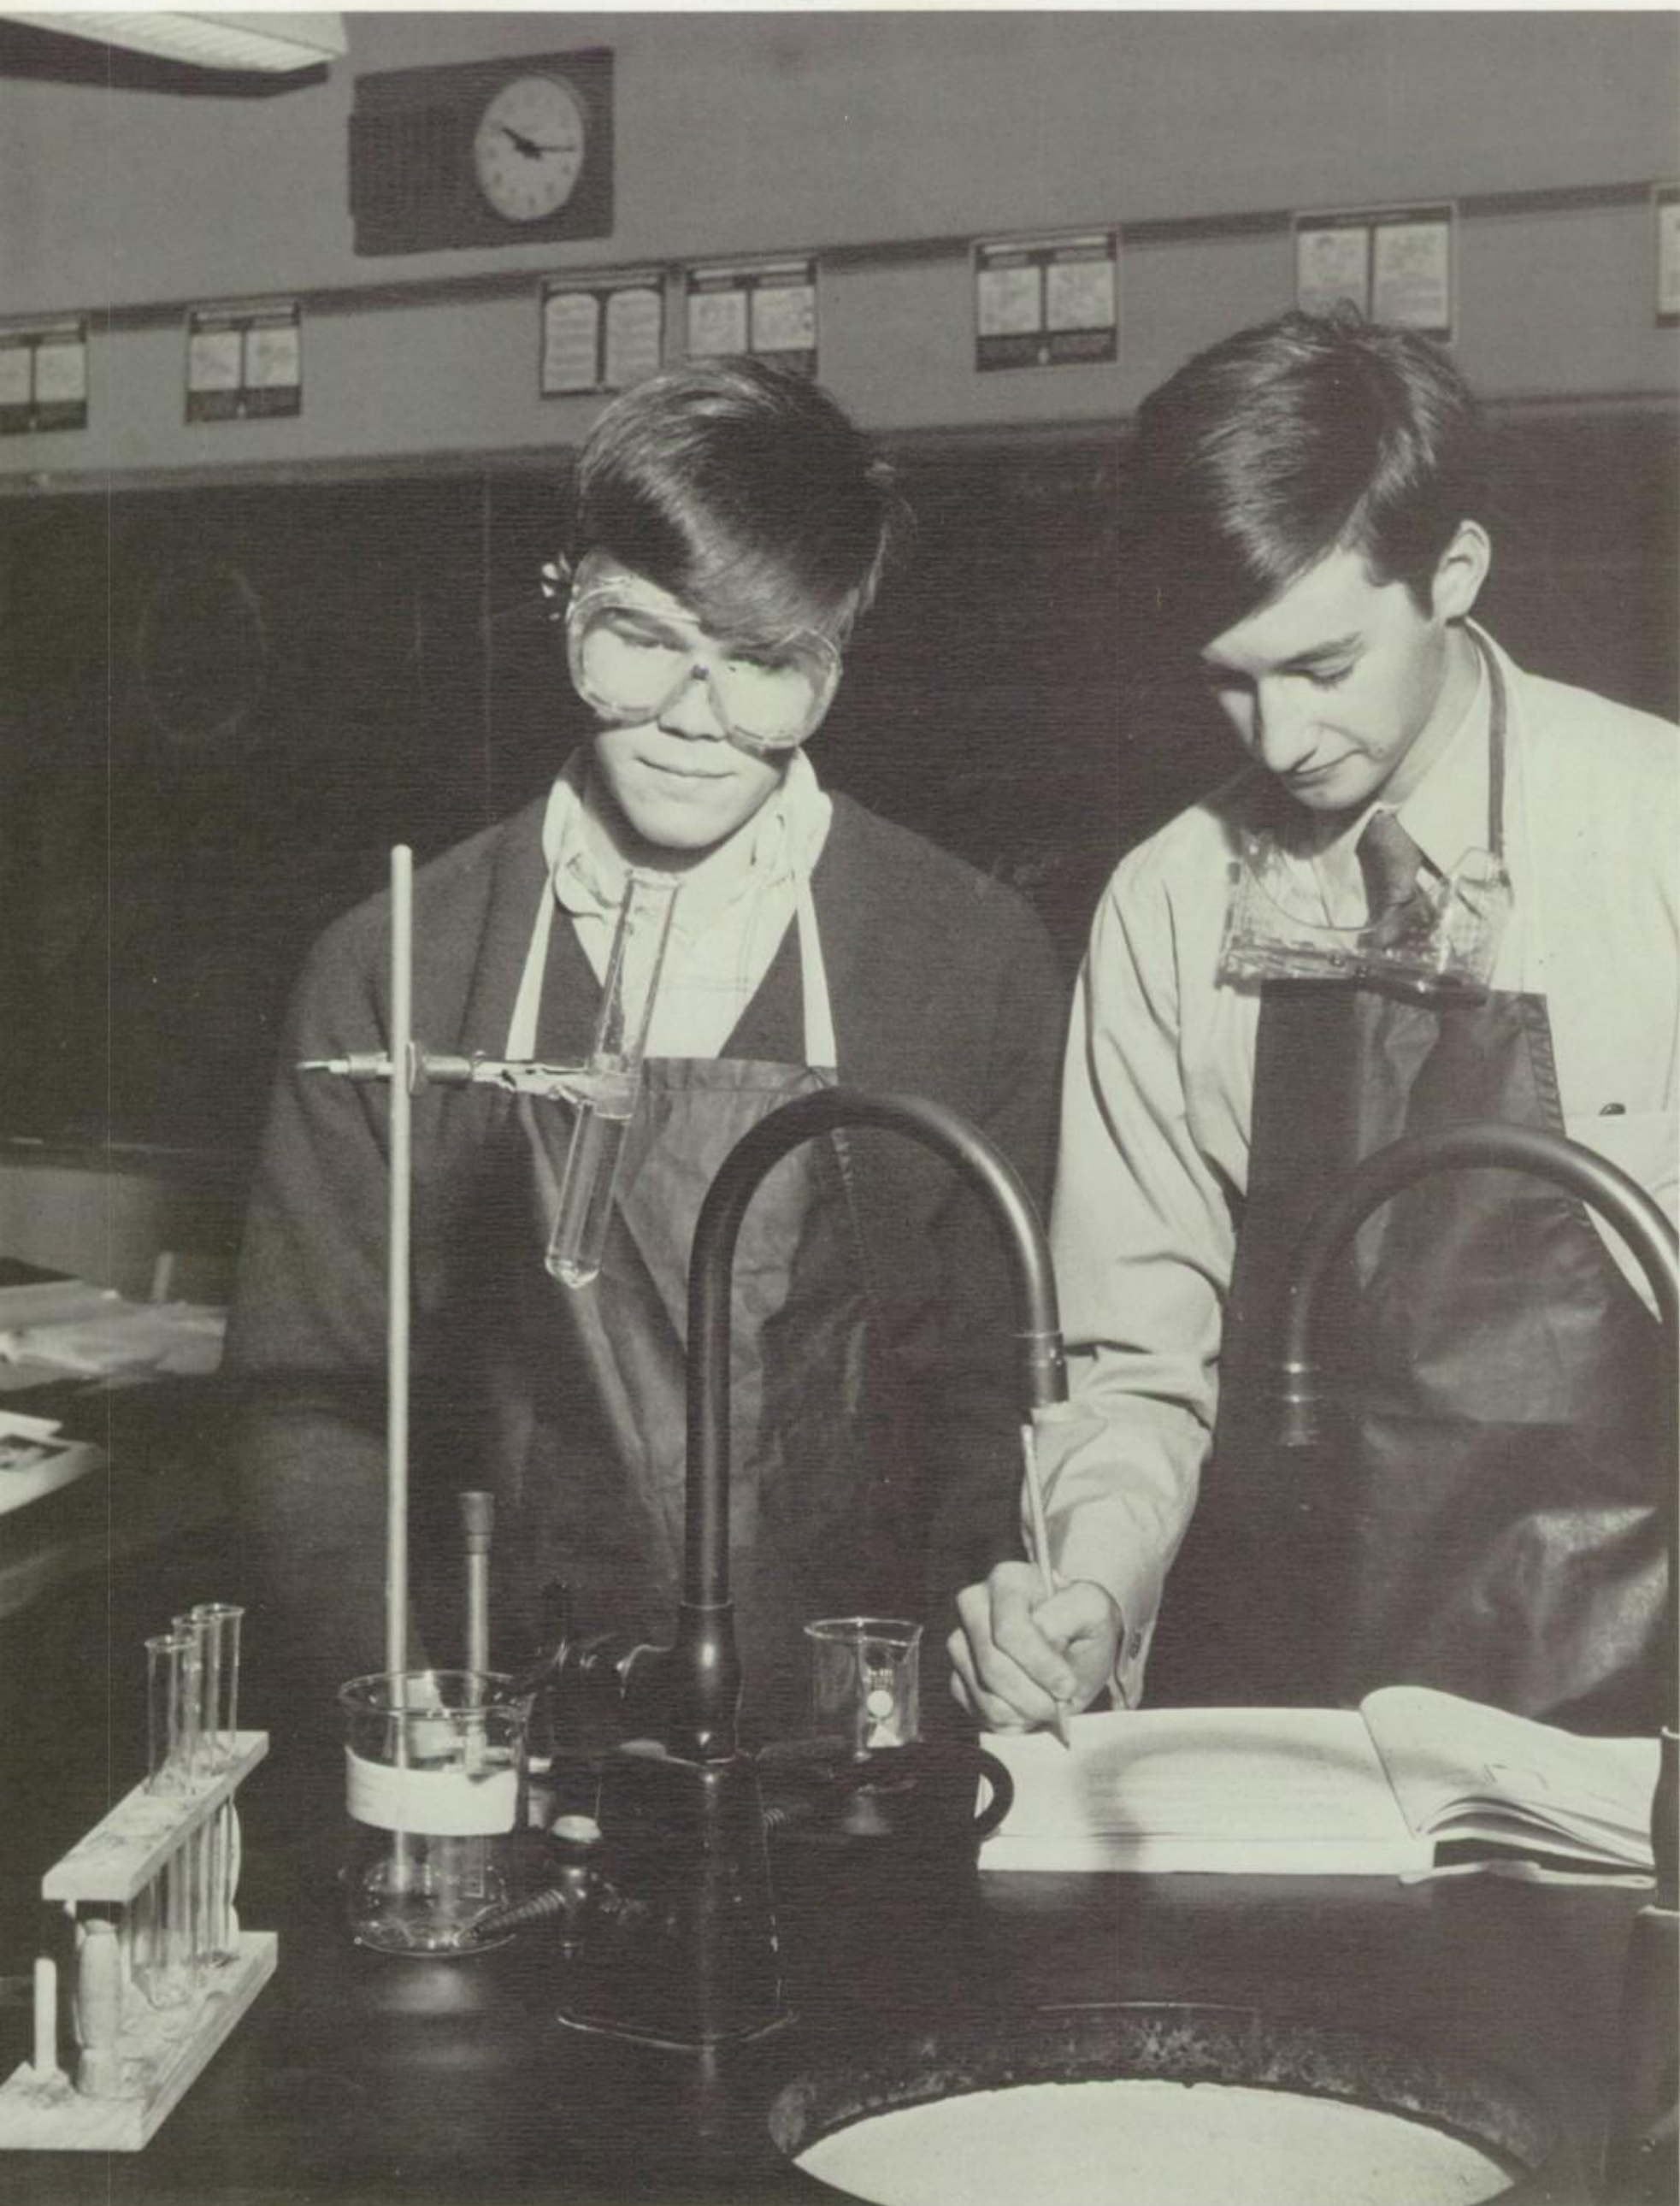

enlargement of intellect.
 increase of knowledge, advance toward perfection.
 manipulation of hands and machines.
 setting ourselves for our lives' works.

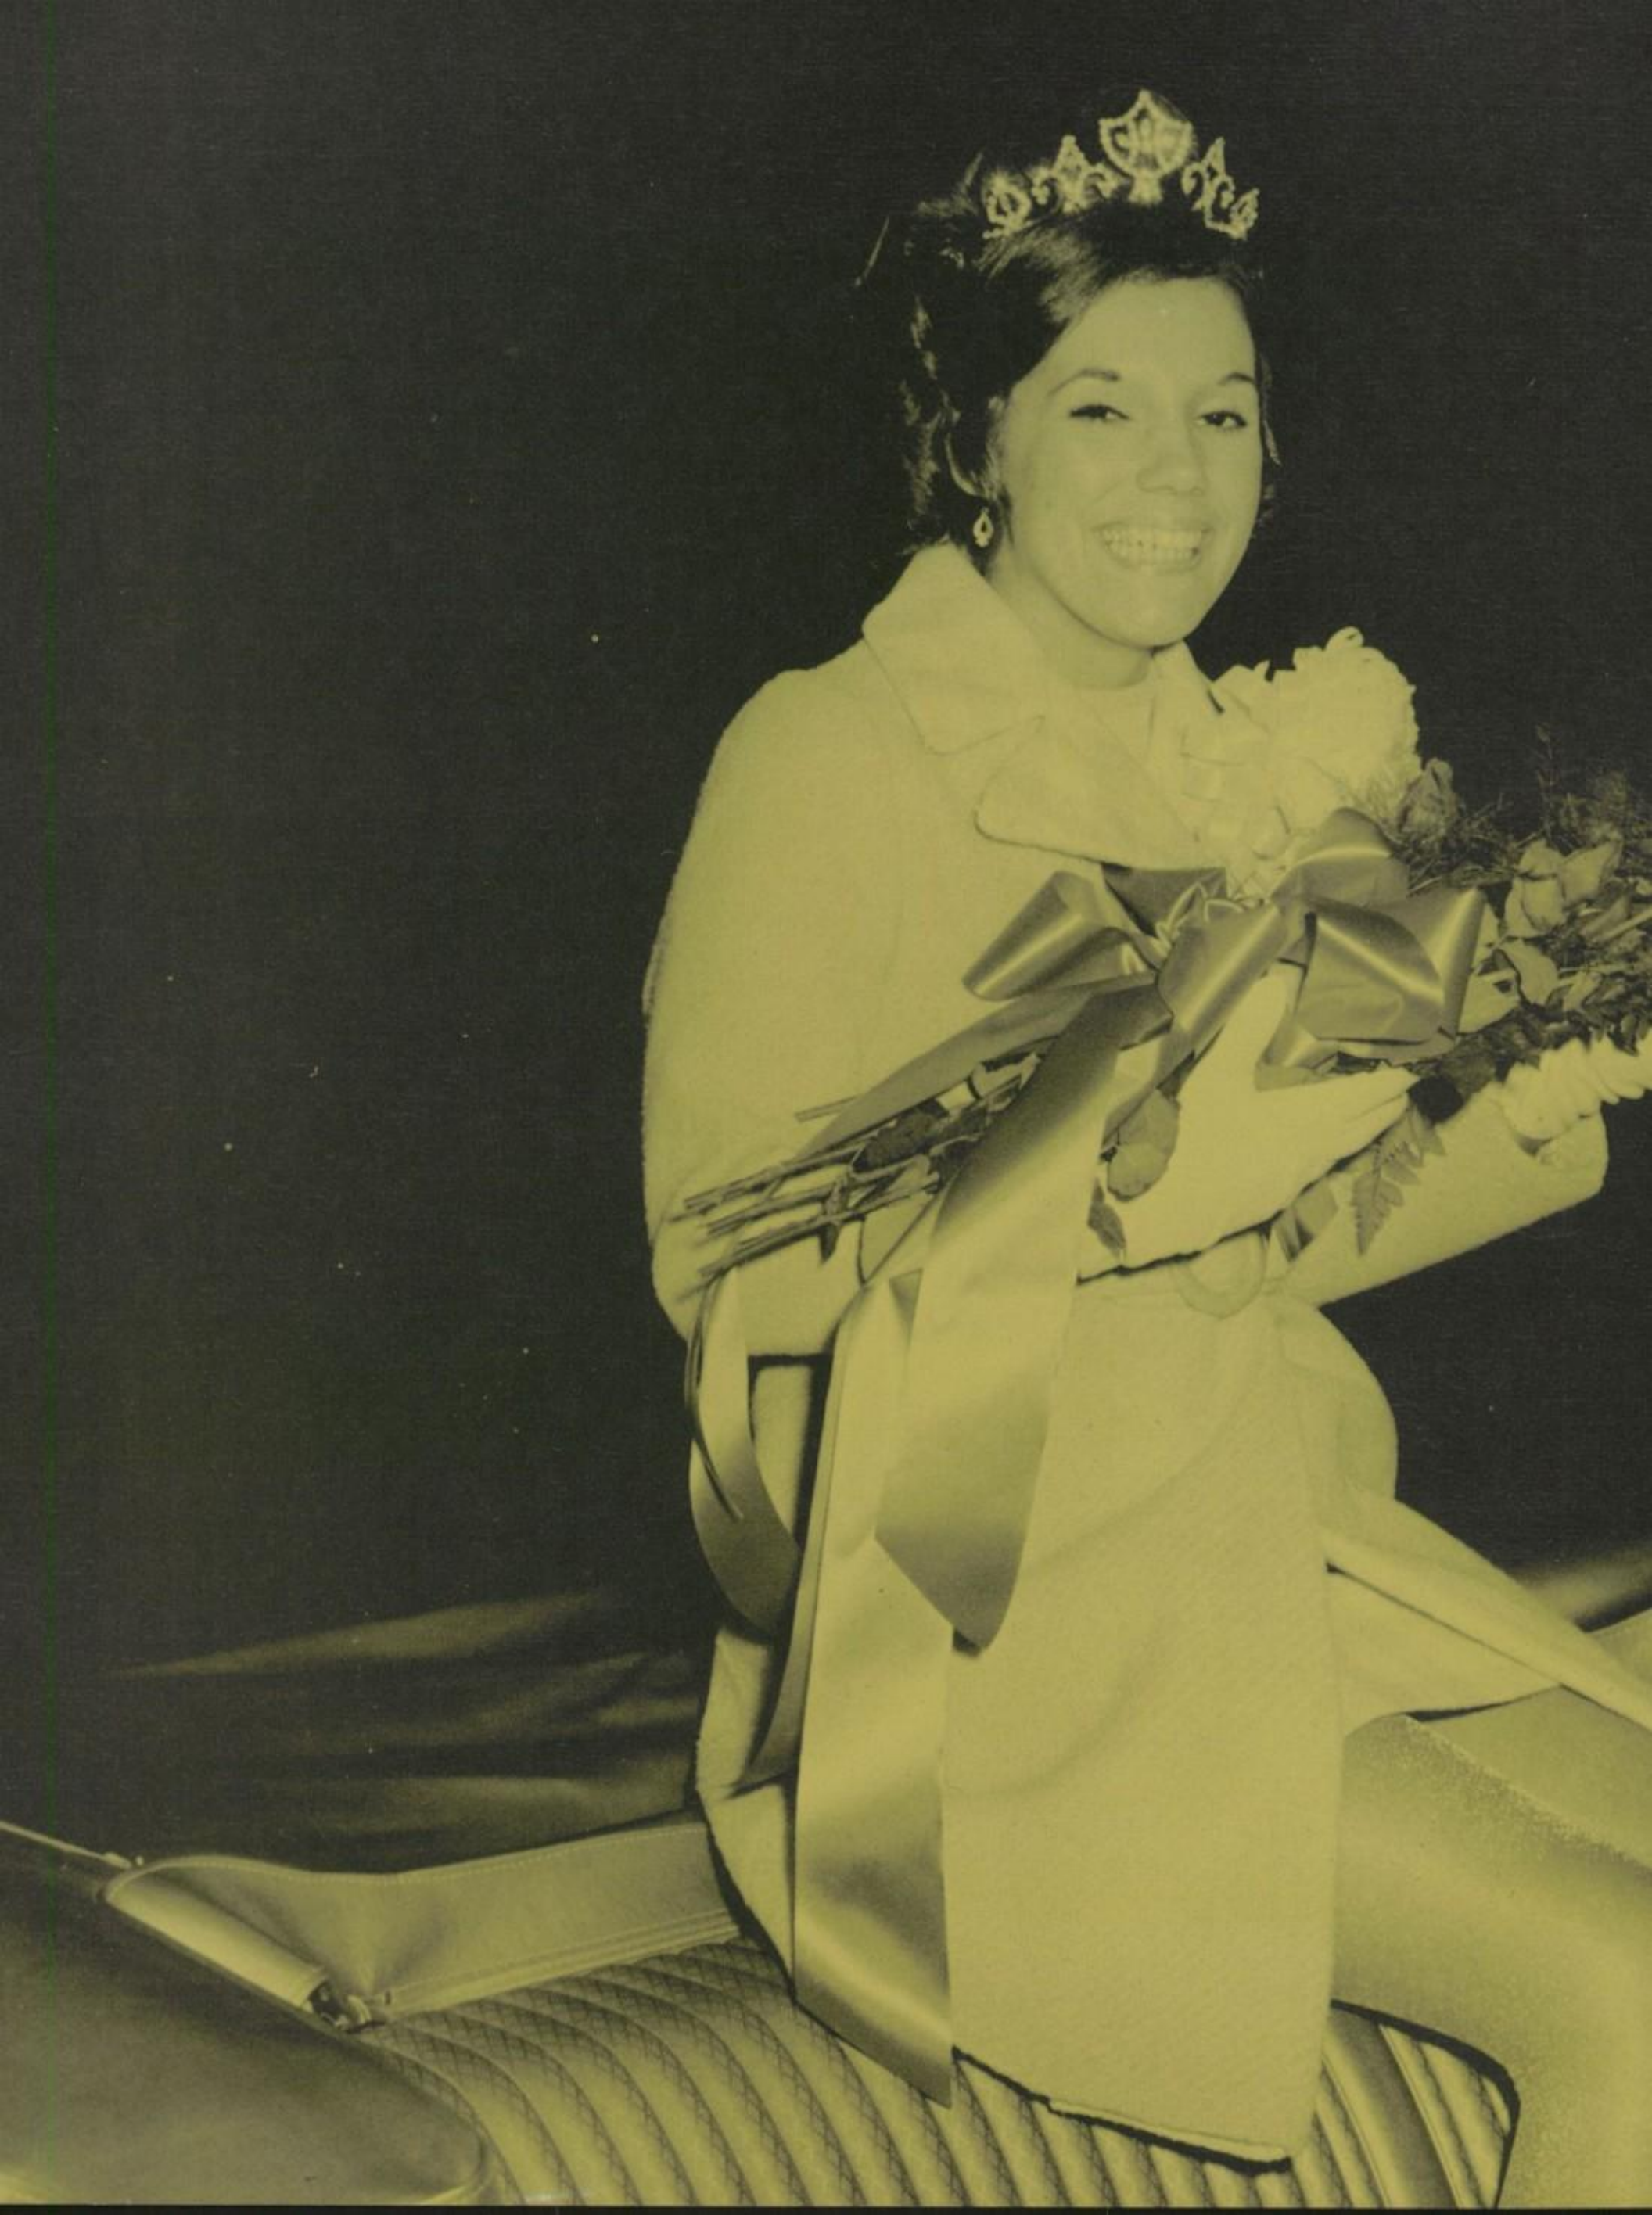

three o'clock. an end to the work.
 but the day isn't over.
 fun. laughter. enjoyment outside class.
 tremendous part of shs.
 faces. hands. bodies. feet-
 people-the
 contributing factor to the success
 of southeast senior high.
